

ASSIGNMENT 4

Your Deep Structure Represented Visually

Draw a feedback loop that represents your deep structure. Reminder: look at the examples in this workbook or in the case studies if you need help. If you've created your deep structure in Kumu, add a screen shot and link below.

Your Deep Structure Represented in Words:

Describe your deep structure in words. Reminder: you can look at the examples in the case studies to see how other teams have done this.
